

Instructions :

1. **Important 1:** Please note that there is a flap to cover the orange area, if there are important elements such as **logos/text** on the back (orange area), place it 1.3~1.4cm away from the bottom edge to avoid any blockage.
2. **Important 2:** Please note that elements such as colors, patterns, photos, flowers etc is advised to “bleed” within the orange area.
3. Please make sure your artwork is the same size as the bleed layer (pink area).
4. Please do not erase the technical layer (Blue and red guidelines)
5. After inserting your artwork, you may delete the “artwork_guide” (bleed) layer.
6. If you have hot stamping, please use the layer “technical2” and insert the vector you want to be hot stamped. (Use only one color), otherwise, delete the hot stamping layer. (the black logo)

Good luck!
